**Veterans Supportive Services Agency, Inc. (VSSA) is a 501(c)(3) nonprofit tax deductible charitable organization dedicated to advocating and providing life-enhancing supportive services which allow veterans and their families to be self-sufficient so they can live with independence and dignity. Reaching a 100% level of service connected disability is not only financially rewarding but will open a wide array of other benefits including health care, mental health and dental care. It is VSSA's hope that in the future more Veterans will receive what they deserve in terms of compensation relative to the type of injury incurred while serving in the US Armed Forces. It is also their hope that each of us will continue to support those who served our country in times of crisis and peacetime. After all, they have sacrificed so you and I could enjoy our freedom so richly envied by others.

Please respond ASAP via email (barry.t.sullivan@nasa.gov) or call (650)793-8196 to secure your spot to play, to sponsor a hole, to donate an auction item or to make a donation to VSSA. Mail checks to:
