

Miller Middle School's Annual Veterans' Day Assembly
November 9, 2018

If you are a member of the military or know someone who has served our country, Miller Middle School would like to extend an invitation to attend our annual Veterans' Day Assembly.

Each year, Miller hosts veterans to come and speak with students about their experiences, so that our students understand the true meaning of the Veterans' Day.

Where: Miller Middle School 6151 Rainbow Drive, San Jose 95129
When: Friday November 9, 2017 9:00-11:00

What happens at the event?

The event begins with a flag salute, speeches by student leaders, and music from our award-winning Mustang Band. If the honored veteran is interested, he or she can then go speak with a small class about their experience and answer questions for approximately 20 minutes, after which there is a small reception hosted by students and volunteers.

If you or someone you know is able to join our event, please contact:
