Needs: Names! We have 85 right now and our target is ~200.

Summer Care Packages for our deployed Troops

To a deployed service member, a care package can mean the world. Getting mail in a foreign land with news from home is one comfort, but a box of goodies is quite another.

The South Bay Blue Star Moms are gearing up for our 2018 Summer Care Packaging event, Saturday, June 16th. Our goal is to receive 200 names of family and friends who are deployed and send them some "love" from home.

If you have a loved one or friend who will be deployed over the summer, please private message me the below information (by June 2nd):

- First and Last Names
- Gender
- Complete Address (APO/FPO/DPO)

MOMs - we also need your help to promote the Wish List of items needed for packing.

Thank you,
Suzie (Care Package Coordinator)
